MEMORANDUM

**JANUARY 15, 1970**

**TO:** Boston Redevelopment Authority  
**FROM:** John D. Warner, Director  
**SUBJECT:** COOPERATION AGREEMENT WITH MBTA  
FENWAY URBAN RENEWAL AREA  
PROJECT NO. MASS. R-115

**SUBJECT:** This memorandum requests that the Director be authorized to execute a Cooperation Agreement with the MBTA, setting forth the terms and conditions for relocation of six MBTA subway entrances in the Fenway Urban Renewal Area.

The execution of the Fenway Urban Renewal Plan involves a number of street widenings on both Huntington Avenue and Massachusetts Avenue. As a result of these widenings, six MBTA subway entrances will have to be relocated.

The entrances involved are as follows:

Auditorium Station - west side of Massachusetts Avenue

Symphony Station - four entrances, one on each corner at the intersection of Huntington Ave. and Mass. Ave.

Prudential Station - entrance on the south side of Huntington Avenue at West Newton Street

The Authority is authorized by statute to reimburse the MBTA for work which constitutes removal or relocation under Mass. Gen. Laws, Chapter 121, Section 26V, or undertakings or activities under Title I of the Housing Act of 1949, as amended, Section 110(c).

It is intended that this agreement shall set forth the terms and conditions for performance and for reimbursement therefor in a manner consistent with similar agreements already executed in regard to the Government Center and Central Business District Urban Renewal Areas.
